Hopefully, you made it through the long-hot summer and are looking forward to the start of the Fall program of the Retired Faculty of the University of Florida. The new officers which you will find listed on the left of the front page are really looking forward to serving the membership this academic year. Please feel free to contact any of them if you would like to suggest a change that will make RFUF more enjoyable to you and other members.

Attached you will find the program for the Fall with dates and speakers. We begin the Fall with the RFUF Luncheon which will be on September 14 beginning at 11:30 AM at the Village Retirement Center across from Santa Fe College. Jon Mills will present "Privacy in the New Media Age." To make a reservation, complete the attached form and send in your check. Remember that our regular meetings begin September 21 and we have coffee, donuts and fruit available at 9:30 AM to help you say hello to old friends before the program begins at 10:00 to 11:00 AM in the Harn Museum of Art Auditorium. Please send in your membership dues with the form also attached to this newsletter. We owe a special accolade to Jane Brockmann, our President-Elect, as she has taken membership input and selected

each of the speakers for their presentation. When you look over Jane's program you will be pleased to see the diversity and depth of its coverage. For example, here are a few titles: Tumor Engineering, Rising Sea and Archaeology, Florida's Aquifers, and UF campus plans for the future. Many different topics will be presented by very interesting speakers. Please try to make each meeting.

We have a new Treasurer, Carol Ritzen Kem who will process your membership and luncheon checks. Officers who are continuing: Ofelia Schutte, Secretary; Ken Berns, Past President and myself as President, six Board of Directors, and three Committee Chairs: Roy Bolduc, Communications; Cheri Brodeur, Membership and John Foltz, Director of Database have earned our respect for so much service to RFUF. This year Cheri wants to make a big effort to increase our RFUF membership. If you would like to help, please contact her.

You will see an important section called "In Memoriam" to our members that we have lost this past year. Each will be missed.

I personally look forward to welcoming each of you for a great program of presentations. Please come and see your old friends and meet some new ones.
